measures regarding data protection? If not, please check the following page. ☐

the co-creation methodology? If not, please check the following page. ☐

the guidelines to phone interviews? If not, please check the following page. ☐

REFLECTIONS

Which main societal challenges are clear in current times for Pharaon?

Apart from national policies and deontology, check out some reflections on:

THE MID-TERM EFFECTS OF COVID-19

DATA SHARING GOVERNANCE FOR OLDER ADULTS

WORKFORCE CHALLENGES WITH THE DIGITAL REVOLUTION

GENERAL MEASURES

Pharaon has a very complex, yet fascinating ecosystem!

To guarantee all older adults are protected, namely the more vulnerable ones, and not stigmatized but valued, see the measures you shuld follow regarding:

AGEISM	TRAINING
ACCESSIBILITY	INCIDENTAL FINDINGS
CO-CREATION	GDPR
EXIT STRATEGY	

MEASURES FOR THE PILOT SITES

Pilot sites are the closest partners to the older adults and caregivers and need to take several guidlines into consideration for their activities:

GENDER	CONSENT
SAFETY	DIGITAL LITERACY
VULNERABILITY	DIGITAL ACCESS

GUIDELINES FOR TECH PARTNERS

You think you have nothing to learn here? But you are mistaken!!

Go to the Pharaon's Ethical Guidelines and see what you may be missing to protect our final end-users in Pharaon.

ORGANISATIONAL MEASURES

Pharaon, as a whole ecosystem, will implement several measures to ensure, not only cmpliance, but Ethical excellence!

Go to the Pharaon's Ethical Guidelines and see what you may be missing to protect our final end-users in Pharaon.
